

COLOMBIA TOURS: MEDELLIN SAMPLER

3 Days / 2 Nights

Although Medellín may lack the sophisticated edge of Bogota or the sumptuous languor of Cartagena, it has its own unique set of guiles to win over the traveler. Surrounded on all four sides by rugged peaks, there seem to be stunning views wherever you look. With mild temperatures year-round, Medellín deserves the nickname 'City of Eternal Spring.' A dynamic economy, driven by the huge textile industry as well as very brisk business in cut flowers, helps support a lively cultural scene. The narrow streets of downtown, safe once again, are supercharged with pedestrian life. Above all, it's the people who will win you over. Even in ultra-friendly Colombia, they are known for their graciousness and warmth.
